

The Reform Jewish Youth Movement

We are excited to bring you the following camp-hosted NFTY events for the 2022-2023 year! These retreats, in addition to the network of local NFTYx experiences offered by synagogues and programs through our North American Teen Fellowships, will create a fun and dynamic calendar of opportunities.

Please note - Due to increasing costs of food, transportation, utilities, staffing, and other event-related expenses, we expect events to cost \$400-500 per person on average. If cost is prohibitive, scholarship information will be made available regionally closer to each event. Keep an eye out for more information in the late summer/early fall, and we cannot wait to join in community once again, in person, with you!

Events (Event information is subject to change)		
Date	Event & Region(s)	Camp
